

Prayer of Confession

*Congregation prays out loud those parts in **bold**.*

Lord God,

We come before you in prayer – believing that you hear our “Hallelujahs.”

As much as we sing them to lift up the beauty, holiness, and majesty of your unrivaled name, we sing to reassure ourselves that you are bigger, stronger, greater than all that assails us.

We sing to remind ourselves that in the midst of all the uncertainty, confusion, and conflict that surrounds us, you remain a sure foundation.

When we forget that you are always in the midst of any storm that surrounds us...

When we begin to worry that the darkness won't go away...

When we think that we have somehow slipped out of your protective embrace...

When we find ourselves questioning our ability to live in the realm of your unfathomable mysteries...

When our fears get the best of us and we seek solutions that steer us away from you...

When our lack of trust in you leads us into sin...

...Lord, be patient, gracious, and merciful for our weak ways.

During these past weeks, in the heat of our national controversies – when our being *in the world* has led us to become more *of the world*,

Lord, forgive us.

when we have let partisan politics, political loyalties, or ideologies lead us to judge and condemn others because they differ from us,

Lord, forgive us.

As followers of Jesus, give us the wisdom, strength, courage, and grace to faithfully represent the kingdom of God as we live as citizens of both heaven and earth.

Time of silent confession and reflection

In the name which is above every name, Christ Jesus our Lord, we pray. **Amen.**

SO WILL I (cont'd)

3. God of salvation/You chased down my heart/Through all of my failure and pride
On a hill You created/The light of the world/Abandoned in darkness to die

Chorus 3

And as You speak/A hundred billion failures disappear

Where You lost Your life so I could find it here

If You left the grave behind You so will I/I can see Your heart in ev'rything You've done

Ev'ry part designed in a work of art called love/If You gladly chose surrender so will I

I can see Your heart eight billion diff'rent ways

Ev'ry precious one a child You died to save

If You gave Your life to love them so will I

Benediction

John 17:13-19

¹³“I am coming to you now, but I say these things while I am still in the world, so that they may have the full measure of my joy within them. ¹⁴I have given them your word and the world has hated them, for they are not of the world any more than I am of the world. ¹⁵My prayer is not that you take them out of the world but that you protect them from the evil one. ¹⁶they are not of the world, even as I am not of it. ¹⁷Sanctify them by the truth; your word is truth. ¹⁸As you sent me into the world, I have sent them into the world. ¹⁹For them I sanctify myself, that they too may be truly sanctified.

GLORIOUS DAY

I was buried beneath my shame/Who could carry that kind of weight
It was my tomb 'til I met You

2.I was breathing but not alive/All my failures I tried to hide
It was my tomb 'til I met You

Chorus

('Cause when) You called my name (and)/I ran out of that grave
Out of the darkness into Your glorious day
You called my name (and) I ran out of that grave
Out of the darkness into Your glorious day

3.Now Your mercy has saved my soul/Now Your freedom is all that I know
The old made new Jesus when I met You

(Bridge)

I needed rescue my sin was heavy/But chains break at the weight of Your glory
I needed shelter I was an orphan/Now You call me a citizen of Heaven
When I was broken You were my healing/Now Your love is the air that I'm breathing
I have a future my eyes are open

RAISE A HALLELUJAH

I raise a hallelujah in the presence of my enemies
I raise a hallelujah louder than the unbelief
I raise a hallelujah my weapon is a melody
I raise a hallelujah Heaven comes to fight for me

Chorus

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise/Death is defeated the King is alive

2.I raise a hallelujah with everything inside of me
I raise a hallelujah I will watch the darkness flee
I raise a hallelujah in the middle of the mystery
I raise a hallelujah fear you lost your hold on me

(Bridge)

Sing a little louder (Sing a little louder)/Sing a little louder (Sing a little louder)
Sing a little louder (Sing a little louder)/Sing a little louder (Sing a little louder)

Sing a little louder in the presence of my enemies
Sing a little louder louder than the unbelief
Sing a little louder my weapon is a melody
Sing a little louder Heaven comes to fight for me
(REPEAT)

Sing a little louder
(Ending)
I raise a hallelujah

This Is My Father's World

This is my Father's world, and to my list'ning ears
All nature sings and 'round me rings the music of the spheres
This is my Father's world; I rest me in the thought
Of rocks and trees of skies and seas – his hand the wonders wrought

This is my Father's world, the birds their carols raise
The morning light the lily white declare their Maker's praise
This is my Father's world; He shines in all that's fair
In the rust'ling grass I hear Him pass; He speaks to me ev'rywhere

This is my Father's world, O let me ne'er forget
And though the wrong seems oft so strong, God is the Ruler yet
This is my Father's world; the battle is not done
Jesus who died shall be satisfied, and earth and heaven be one

SO WILL I

God of creation/There at the start before the beginning of time
With no point of ref'rence
You spoke to the dark/And fleshed out the wonder of light

Chorus 1

And as You speak/A hundred billion galaxies are born
In the vapour of Your breath the planets form
If the stars were made to worship so will I
I can see Your heart in ev'rything You've made
Ev'ry burning star a signal fire of grace
If creation sings Your praises so will I

2.God of Your promise/You don't speak in vain no syllable empty or void
For once You have spoken
All nature and science/Follow the sound of Your voice

Chorus 2

And as You speak/A hundred billion creatures catch Your breath
Evolving in pursuit of what You said/If it all reveals Your nature so will I
I can see Your heart in ev'rything You say/Ev'ry painted sky a canvas of Your grace
If creation still obeys You so will I/So will I/So will I

Bridge

If the stars were made to worship so will I/If the mountains bow in rev'rence so will I
If the oceans roar Your greatness so will I/For if ev'rything exists to lift You high so will I

If the wind goes where You send it so will I/If the rocks cry out in silence so will I
If the sum of all our praises still falls shy/Then we'll sing again a hundred billion times
