TPC monthly newsletter—JUNE 2022

Hello TPC Family!

June brings summer and we become excited for the change of pace in this season! There is lots to be excited about and thankful for! I want to begin by congratulating all our graduates! They deserve much praise for their commitment and perseverance, especially considering all the challenges that have occurred over the past two years. I want to encourage all our graduates to look at life as opportunity! Each of us have opportunities each day to better ourselves, help others and above all give glory to God! I pray God's blessings on each of you!

The end of June will mark the launch of our life group ministry. Our desire is for the entire congregation to be involved in this vital ministry. We believe the summer is a perfect time to get started with our life groups and we want to encourage each of you to pray about how you can either join a group or begin a group. If you have any questions, you can contact the church office, Pastor Roger, or Dave. Summer is a busy time! Try and have some fun, make good memories, and grow your faith. I look forward to being the church with you!

Blessings and Peace!

Stephen Ministry Class of 2022

Betty Dawson, Cal Struble, Joanne Breffle, Maria Roberts

The Stephen Ministry team at TPC is delighted to introduce our recently trained Stephen Ministers who were commissioned on May 1, 2022 during Sunday Worship Service. This group of trainees was a joy to work with during their 50 hours of intense training. They were dedicated, prepared for each session, eager to learn, willing to role play, and to share their collective sense of humor. They are eager to put their training into action and begin their ministry of walking alongside anyone in our church family or our community who would like someone to witness and support them through any challenge they are facing.

Contact Lois Ecklund at (408)718-8613 (cell) or (805)461-1470 (home) to receive confidential care from a Stephen Minister for yourself, a family member, or a friend.
