Are you looking for an opportunity to serve and meet people ?

If so, we have a terrific opportunity for you!

We would love to bring on some new folks to serve as ushers on Sunday mornings. The duties of an usher are to welcome people as they enter the church and to hand them a bulletin. Another aspect of the job of ushering is to be able to answer some basic questions, such as pointing out the restroom or nursery or directing parents of school-age children that the kids stay in the service until after the children's sermon.

It would also be your job to count the people who attend the services and record it on the provided attendance sheet. Ushers often say that the most rewarding part of the job is the opportunity to meet people and to make them feel welcome. The ushering schedule is typically done in four-month blocks of time so that your schedule can be accommodated. You let us know how often you would be willing to serve; there is no minimum or maximum. We will provide training and typically will pair up people new to ushering with an ushering veteran. Couples are welcome to serve together as well as including your children.

Please contact Debby Price if you would like to be included in this ministry or if you have any questions. Call or text 805-215-6915 or email tpprice4947@aol.com.
